

Construction Detours for Skate Express.

It's that time of the year here in the great state of Wisconsin, road construction season. Due to the construction of the Highway 19 Bypass, Highway 19 from Frohling Lane to Welsh Rd will be at one lane from April 5th to approximately mid-May. Highway 19 to the west of Frohling Lane will be closed.

For those of our customers coming to the rink from the North (Clyman, Beaver Dam) east (Oconomowoc, Hartland) or South (Jefferson, Janesville) will not be affected by the construction except for the lane closure west of Welsh Rd. Please use caution in the one lane section.

As Highway 19 is closed west of Frohling Lane, those traveling to the rink from the west (Waterloo, Sun Prairie) may wish to use the following detour, it is as follows:

- From Highway 19 eastbound, turn left (north) on Rich Rd.
- Proceed north on Rich Rd 1.5 miles to Provimi Rd.
- Turn right (east) on Provimi Rd. Follow Provimi Rd to the east 1.4 miles to Welsh Rd.
- Turn right (south) on Welsh Rd: proceed south on Welsh Rd until you arrive at Highway 19 (Welch Rd dead-ends into Hwy 19 by Farm & Fleet).
- Turn right (west) on Hwy 19 and proceed to Frohling Lane and Skate Express. Please use caution in the construction zone.

Please contact the rink at (920)206-0129 if you have any other questions.

Thank you very much and have great time at Skate Express!!
